

A Time for Hope and the Promise of a Bright Tomorrow

Once again circumstance dictates that we will not be able to come together to share a meal, fellowship, and fun. Please join us virtually this year for a special video presentation.

We are so grateful for our many donors and supporters who have continued to support us during this pandemic. You have helped the Center continue its mission, but our needs continue to be great!

We have a wonderful building but like any older building, ours needs continuous maintenance and we need new LED lighting this year. **Will you help?**

We ask that you donate your \$75 dinner reservation and, if possible, make an additional contribution to meet our lighting needs. With your help, we can make the Center a brighter place!

As a special gift to you, if you donate \$150 or more, you will receive a beautiful hanging basket from Anton's Greenhouse. Your basket will be available for pickup on Thursday, May 20 from 4 to 6 PM at the Center at 6218 26th Avenue, Kenosha.

The Spring Benefit is our largest fundraiser of the year. Our community depends on the Center and the Center depends on us more than ever. Please send your donation in the enclosed envelope and response card. We look forward to your continued support.

Thank you for supporting our mission!

Sharing God's love by addressing the needs of children, youth, and adults through programs and services that encourage them to become self-sufficient, caring and participating members of the community.
